Maura W. Sommer is Of Counsel at Anselmi & Carvelli, LLP where she represents clients in all stages of commercial litigation, internal investigations and complex environmental matters in federal and state courts and before regulatory agencies. With two decades of experience, Maura counsels corporations, businesses and PRP groups through all phases of litigation, regulatory matters, arbitration and enforcement actions that carry significant financial and reputational consequences.

Before joining the firm, Maura practiced with a New York City commercial litigation boutique, where she defended corporations and their executives in contract disputes as well as criminal and civil Racketeer Influenced and Corrupt Organizations Act (RICO) matters. That experience sharpened the trial skills and strategic judgment she now brings to her practice.
